I've never been to this place. I am sure that there are tent spaces available. I want to show off how tough my Cabela's Alaskan Guide Four Man Tent actually is. I think that I bought this tent in 1999.

It is really heavy, but I did upgrade from fiberglass to aluminum poles.

The best thing about having a 17' 4" Old Town Tripper canoe is that you can really load it up with luxury camping equipment.
