Next Thursday we'll be recording an episode with the hunting beast himself Dan Infalt. Dan runs the hunting beast forum and has taken over 30 pope and young bucks, mostly on public land.

<http://www.thehuntingbeast.com/> We will be taking questions from the listeners on our web site

<http://theopenairproject.com/>, on here, facebook or our twitter feed. We'll choose 3 and ask him during the podcast. So get those questions posted!

By the way this weeks episode was on summer fly fishing!
