Nice, looks like a good time as always up there.

How'd Hammersley fish for you guys?

That was the only bust day for us when we were up the week previous. Hiked in above the Dutchmen cabin and began fishing above there. We took a skunk to the split. Caught some Brookies up the left branch, but as well as everything else of similar size fished that week, it was a bit of a headscratcher why lower Hammersley was so off.
