Hey Albatross,

Here is a simple tie that is my go to fly all winter, but works all year. Dead drift it deep and slow, sometimes they hit on the swing.

3X #10 streamer hook

Copper beadhead

Black marabou tail

Body; Peacock color Kreinik Micro Ice Chenille

Black hackle palmered over body

Black hen hackle may be even better being softer and having more movement in the water.

Good luck,

Flyman
