yeah, I had the same thought. Never fished up that far, but wanting to get to it, I had thoughts of this weekend. Then I checked regs, and crap, its ATW. Gotta wait a few weeks.

The entire stream is actually ATW. But downstream of Blue Marsh its DHALO, and below Red Bridge its all-season ATW. I fished that last weekend, why doesn't anyone fish down there at this time of year, yet it'll be shoulder to shoulder on opening day? I don't get it....
