Two nice pickerel from a tidal Potomac tributary yesterday. My first paddleboard outing of the year.

Fredrick, I had a shot at an enormous snakehead. Cast was a few inches behind the fish, I tried to quick drag the fly in front but I just hooked it in the top of the head 🤪 The hook pulled after a few seconds.

Honestly believe the fish was 36" or larger.

Nice toothy , that stinks those big ones don't come out of hiding often . I had two hookups on 10 pounders this year but bad hooksets cot me the fish .
