6 bucks,,wow for a couple more bucks you could tie 25 of them,,its crazy what fly shops charge for flies,, and really,, cant we all just get along,!!!,,lol must we have a pissing contest over 2 different excellent trout streams.

It's not a pissing contest just some facts being stated. Also if I had a fly shop I'd charge the same. What are they supposed to do charge you what they pay in materials. Their charging you for their time spent tying. It seems like common sense to me. That is why I tie my own.
