The Rivers Conservation and Fly Fishing Youth Camp is planned for 2021 (the number of students has been reduced to facilitate social distancing). This is the premiere conservation and fly fishing based youth camp in the state and has been sponsored for many years by Cumberland Valley TU.

As per the past, the camp is soliciting flies for the teenage students. We ask for two dozen of the same pattern tied on the same size hook (you will donate the hooks and materials). The flies would need to be completed and in the mail by the end of May.

If you would like to contribute, let me know via PM and I'll get you my mailing address.

Thanks,  
Dave W.
