When a brand new one is available from Cabela's for \$30, I don't think I'd want to buy someone's old one that's probably been sweated into, run through the dirt, mouldered in the corner, and had more fish goo and the occasional bleeding finger pressed into it by anyone who's not me.

Then, maybe I'm tough on things. :)

(fwiw, I'm thinking about a mesh vest, those are only \$40!)
