If you want a good read, pick up anything by Christopher Moore. He is a whacko like Buffett. That's to say a very similar sense of humor. There's no fishing at all in his books, but you won't put them down. And people around you will wonder why you are are snorting and twitching as you turn the pages.

I read [The Stupidest Angel](#) years ago. I still get an evil grin when I hear the line "Oh. this is so akward! Both my exes are here!" (Which isn't often, admittedly)

PS: My sister in law bought me the Stupidest Angel for Christmas, a while back. She's pretty warped herself.
