Imported junk tied by foreigners that have never seen a trout stream in their LIFE!!!!!!! That's the ONLY way you'll ever see a trout fly being sold for 56 cents. The color of that Hendrickson isn't even CLOSE!!!!!!!

The patterns below are good examples of why they are selling for 56 cents. Clumped bodies, uneven ribbing, oversized thorax, and total bad proportions on the flies. This garbage isn't even worth 56 cents. What a ripoff.
