I'm gonna go out on a limb here and say that I could catch a trout on either or both of those flies.

Would that be before or after the the cheap hook gets rusty, the tail falls off, the loosely wrapped dubbing comes unraveled, or the wingcase splits? 😊

BTW....is that deer hair on the back end of that "Flashback Hares Ear NYMPH"? I bet that makes for an interesting presentation. Tail up, head down. 😊 😊 😊
