Was curious if the Bean casting school let people walk on with their own equipment, or if you needed to use their stuff; or if you're a hired gun for outside consulting.

No, yes, and no. I'm not permitted to teach for pay, or even mention the B word as far as teaching anywhere but at work.

However, I'd be more than happy to chuck some line with you. 😊

Remember - I've seen you cast. You can do this, no sweat.
