Wow, I can't pass up a chance to meet "Old Lefty" (Dave Rothrock) and the even more famous "Heritage Ed". For all those who are not familiar with Dave Rothrock, here is a little info on him.

Anyone attending would be very lucky to be able to get some casting or fishing tips and pick the brain of one the true renowned expert FFers.

This is a very generous offer Dave. Thank you. I'll try to be there.
